# WELCOME

Welcome to DJ Solutions! We are the Algarve's Leading DJ hire company. Having been in the events industry for over 8 years we understand that music is one of the most important factors to consider when planning your wedding or event. At DJ Solutions, we take pride in the exceptional and personalised service we offer to all of our clients.

As DJ's, we always keep up-to-date with all the latest advances in technology for both sound and light. When it comes to our equipment, it's imperative that the setup is appropriate to the size of the venue and number of guests attending. We always arrive well in advance to have everything prepared and sound checked before your guests arrive.

# MEET THE DJ'S

## DJACOB

Originally from Lisbon DJacob has been living in the Algarve since 2007. He can be spotted in some of the most luxurious spots in the Algarve including the Saturday Brunch at the Conrad Hotel, Bovino Steak House Sunday Brunch, Anantara Hotel, Magnólia Hotel and the Shack Bar in Quinta Do Lago amongst others.

Along with his regular performances he also has vast experience in the wedding and event industry. His knowledge of music is second to none and his professionalism is always guaranteed.

## DJ FARBY

DJ Farby has been in the events industry now for over 16 years and has performed over 350 weddings and events in the Algarve alone since launching here in 2010. Music is his passion and he takes great pride in his work.

Farby knows that music is such an important part of your wedding or event. He has mastered the art of reading an audience and playing to the crowd to ensure that all of your guests get up on their feet and continue to boogie all night long!

Farby is well known in the Algarve for his performances at the famous sunset parties at Izzy's Beach Bar, where he was the resident DJ for 3 years. He also spent two years performing weekly at the prestigious Conrad Hotel's Gusto Restaurant, mixing a selection of chillout tunes for the guests. During the summer season he can be spotted performing at some of the most exclusive venues in and around Quinta Do Lago.

# WEDDINGS

***We provide music solutions for all parts of the wedding day including ceremony, cocktail drinks, dinner music and evening reception.***

The memories of your wedding day will last a lifetime and it's a privilege for DJ Solutions to be a part of it. We understand the importance of your big day and we know you want every moment to be just as you've imagined. We see this as a collaboration, from your initial enquiry right through to the perfect song to end the night. We know planning your wedding can be stressful, so we will always be on hand to discuss anything you need in the run-up to your special day.

We have years of experience filling dance floors across the Algarve. We always play to the crowd, covering genres from the 60's right through to current chart hits, house, and more! We understand that everyone has different tastes in music, so we're also happy to accommodate specific playlists for the evening reception. Normally, up to 80 tracks will be sufficient for the performance. We only require three weeks lead time to compile the perfect custom playlists for your wedding day.

## Full Day Wedding Package

We have the experience and equipment to provide all of your music, from the ceremony right through to the evening reception. Our comprehensive wedding package is a great option for couples on a budget, but it also removes the stress of working with multiple suppliers. We're here to make things easy. Your wedding day is sure to be unforgettable and we're honoured you've considered us to be a part of it.

### SERVICES INCLUDE:

- CEREMONY
- COCKTAIL DRINKS AND DINNER MUSIC WITH A PERSONALISED PLAYLIST
- 5 HOUR DJ SET FOR THE EVENING RECEPTION

## Evening Reception

The Party!!!! For the Evening Reception we provide a 3 hour set as our base, which includes a full 3000 Watt Sound System, Lighting Display and Professional DJ Booth. Extra hours are also available if required. Have song requests? No problem just ping over a playlist of your favourite tracks and we'll prepare them ready to be mixed in on the night!

## Cocktail and Dinner

For this service a full sound system is set up in both locations where background music will be played. We also provide the use of a high-quality wireless microphone. This will be readily available for speeches during both the cocktail reception and dinner service. In addition to setting the mood and providing entertainment, music is essential to maintaining your schedule. Together we'll plan the perfect accompaniment to your grand entrance, the cake cutting and more.

## Ceremony

For our ceremony service we provide a full sound system and a wireless microphone for the celebrant, as well as music to accompany the arrival of your loved ones. The entrance song for the bride (processional), a song for the registrar signing and the exit song (recessional) will follow. Remember, your song choices would need to be sent no later than three weeks before the ceremony.

## BUSINESS & CORPORATE EVENTS

Who says a company party has to be boring? At DJ Solutions Algarve we've been in the business of getting people dancing for over 8 years!

Throwing a major party for your employees and clients is a great way to build business relationships, morale, or to thank your customers. DJ Solutions knows how to get the party started! We have vast experience in doing Corporate Events, Company Drinks Receptions and Dinners for businesses large and small since 2010.

Our fun and exciting booking extras like LED dance floors and LED Letters also add that extra wow factor to the party your colleagues can't wait to attend! With our affordable rates, you can easily create a memorable experience the whole company will be talking about.

### Daytime DJ Performance (2 Hours)

Perfect for your company's afternoon drinks reception. You can choose from our selection of music styles to suit your event. We provide a live DJ performance for 2 hours with this service which includes a professional DJ booth and the appropriate sound system. A wireless microphone is also included for any speeches/announcements that maybe required.

### Evening DJ Performance (3 hours)

This option is perfect for after your company's dinner event. Providing a 3 hour DJ set including a full professional 3000 watt sound system, lighting display and professional DJ booth. We guarantee to have your staff and colleagues dancing into the night!

### Background Music (As Required)

For this service we provide background music through our professional sound system. We have a selection of music styles to choose from to set the correct tone to your event. This service is an ideal option before we start our evening performance. A wireless microphone is also included for any speeches/announcements that maybe required

# PERFECT FOR:

- BIRTHDAY PARTIES
- BOAT PARTIES
- STAG AND HEN PARTIES
- WEDDING AFTER PARTIES
- CHRISTMAS PARTIES
- ANNIVERSARIES
- POOL PARTIES
- AND MORE.

## PRIVATE PARTIES

If you're looking for some inspiration to make your private party a day to remember DJ Solutions have you covered. Our private party package includes our 3 hour DJ service.

# LED STARLIGHT DANCE FLOOR

Dressing your venue with an LED starlight dance floor can transform a dull room into a glamorous venue with its fantastic controllable lighting effects. Measuring at 16ft x 16ft the impressive starlight dance floor will withstand even the wildest of parties!

At over 250 square feet the dance floor is versatile and can be of square or rectangular shape to suit your venue. The LED Starlight dance floor can help to make your first dance, and all the dancing that follows unforgettable!

The dance floor has hundreds of LED's built into its panels, creating a twinkling effect. The tempo is fully controllable meaning we are able to set the speed of the lights for your first dance song.

## PLEASE NOTE

The dance floor can only be installed on hard level ground due to the electrical connections. Unfortunately it is not possible to install the floor on uneven unsupported areas such as grass.

# GIANT LED LETTERS

*Are you looking for that extra wow factor for your wedding or event? Our giant light up letters provide a great backdrop for photos and a great talking point. We have the following 3 sets:*

## DANCE - 5 Foot High DMX Controlled

The first in the Algarve! Our "DANCE" letters are the perfect partner to the starlight dance floor. Standing at an impressive 5 foot tall these letters are DMX controlled meaning they can display a variety of colours and effects in time with the music as the party is underway. These letters will make even the most reluctant of dancers get up and show off their moves. The letters would be setup prior to your guests arrival and dismantled after the event so you always get a full daytime/night time hire with no limits.

## LOVE - 4 Foot High Classic White

Our most popular letters, they provide a fantastic backdrop for your wedding photos and are a great talking point. The letters would be setup prior to your guests arrival and dismantled after the event so you always get a full daytime/night time hire with no limits.

## MR(S) & MRS - 4 Foot High Classic White

Tell your guests, if they didn't already know, that you're now married with a MR(S) and MRS sign! Our giant light up letters will leave your guests in no doubt that they have just witnessed the wedding of the year! The letters would be setup prior to your guests arrival and dismantled after the event so you always get a full daytime/night time hire with no limits.
